Dear Shelly Hipson:

Re: You are entitled to the information you requested - 2022-00106-HEA

The Department of Health and Wellness received your application for access to information under the *Freedom of Information and Protection of Privacy Act* (the Act) on January 21, 2022.

In your application, you requested a copy of the following records:

Amended January 26, 2022:

All monetary distributions/payments to all pharmacies in NS for administering COVID-19 vaccines. Not including any staff salaries. (December 20, 2020 to January 20, 2022)

All monetary distributions/payments to all pharmacies in NS for administering COVID-19 PCR tests. Not including any staff salaries. (January 1, 2020 to January 20, 2022)

(Date Range for Record Search: From 12/19/2020 To 1/19/2022)

Responsive records have been located and are attached. Pharmacies are not being paid by the province for administering PCR tests. The only testing taking place in pharmacies is rapid testing and this service is being provided on a fee basis: [Pharmacy COVID Testing | Pharmacy Association of Nova Scotia \(pans.ns.ca\)](#)

You have the right to ask for a review of this decision by the Information Access and Privacy Commissioner (formerly the Review Officer). You have 60 days from the date of this letter to exercise this right. If you wish to ask for a review, you may do so on Form 7, a copy of which is attached. Send the completed form to the Information Access and Privacy Commissioner, P.O. Box 181, Halifax, Nova Scotia B3J 2M4.

Please be advised that a de-identified copy of this disclosure letter and the attached response to your FOIPOP application will be made public after 14 days. The package will be posted online at <https://openinformation.novascotia.ca/>. The letter will not include your name, address, or any other personal information that you have supplied while making your application under FOIPOP.

Please contact Melinda Frelick at 902-424-6920 or by e-mail at melinda.frelick@novascotia.ca, if you need further assistance regarding this application.
