Dear 

Re: You are entitled to the information you requested - 2021-01497-HEA

The Department of Health and Wellness received your application for access to information under the *Freedom of Information and Protection of Privacy Act* (the Act) on August 4, 2021.

In your application, you requested a copy of the following records:

Amended August 9, 2021: Please provide a breakdown of COVID-19 vaccination coverage data by age and gender, for each postal code (limited to the first 3 digits of the postal code) in the province. (Date Range for Record Search: From 12/31/2020 To 8/12/2021)

Responsive records have been located and are attached. Information provided has been pulled starting from December 15, 2020. Gender and postal code are self-reported. As a result, not all the forward sortation areas (FSA'S) exist and some FSA and Gender columns are marked as unknown.

You have the right to ask for a review of this decision by the Information Access and Privacy Commissioner (formerly the Review Officer). You have 60 days from the date of this letter to exercise this right. If you wish to ask for a review, you may do so on Form 7, a copy of which is attached. Send the completed form to the Information Access and Privacy Commissioner, P.O. Box 181, Halifax, Nova Scotia B3J 2M4.

Please be advised that a de-identified copy of this disclosure letter and the attached response to your FOIPOP application will be made public after 14 days. The package will be posted online at <https://openinformation.novascotia.ca/>. The letter will not include your name, address, or any other personal information that you have supplied while making your application under FOIPOP.

Please contact Melinda Frelick at 902-424-6920 or by e-mail at melinda.frelick@novascotia.ca, if you need further assistance regarding this application.

Sincerely,

Craig Beaton
Associate Deputy Minister
